World-renowned vaccine research scientist and practicing veterinarian, Dr. W. Jean Dodds of California, and pet vaccine disclosure advocate, Kris L. Christine of Maine, have established The Rabies Challenge Fund to raise money to fund concurrent 5 and 7 year rabies vaccine challenge studies in the United States. As a concerned pet owner you can make a difference. Take the challenge and help fund the study. Send a check made out to: Rabies Challenge Fund, c/o Hemopet, 11330 Markon Drive, Garden Grove, CA 92841
